Formulary

Exceptional Access Program (EAP)

The Individual Clinical Review process is being phased out and a more streamlined Exceptional Access Program (EAP) has been created to handle requests for drugs that are not listed in the Formulary. For more information please visit the [EAP section](http://www.health.gov.on.ca/en/pro/programs/drugs/eap_mn.aspx) http://www.health.gov.on.ca/en/pro/programs/drugs/eap_mn.aspx.

Drug Benefit Prices (DBPs) for products reimbursed under the EAP

Pursuant to section 15 of O.Reg. 201/96 made under the Ontario Drug Benefit Act (ODBA), the Executive Officer (EO) has entered into agreements with manufacturers to establish Drug Benefit Prices (DBPs) for products reimbursed under the Exceptional Access Program (EAP).

For the following products reimbursed under the EAP, the Health Network System (HNS) will adjudicate claims at the DBP listed below.
