

Table with columns: No, INVAZ, BANDEJA X 30 FRAS, etc. and rows listing various pharmaceutical products and their sales data.

Table with columns: No, Marca, Descripción, Dosis, Unidades, and various sales metrics (venta, venta unitaria, etc.). The table lists numerous pharmaceutical products and their sales performance for the period.

Table with columns: No, Marca, Descripción, Forma, Dosis, Presentación, Cantidad, Precio, Valor, etc. It lists various pharmaceutical products and their sales data for the period from January to September 2012.

Table with columns: No., Marca, Descripción, Forma, Dosis, Unidades, Precio, etc. It lists various pharmaceutical products and their sales data for the period from January to September 2013.

Table with columns: No, VENOFIT, BOLSA EN PVC FOR, A111401, COMPLEJO B, DEXTROSA MONOCHLORIDR INTRAVENOSO, etc. The table contains a large volume of data rows, each representing a specific product and its sales performance across various metrics.

Table with columns: No, Marca, Descripción, Forma, Dosis, Especificaciones, Unidades, etc. for various pharmaceutical products.

Table with columns: No, LEVANTA, Marca, Presentación, Dosis, Especificaciones, Unidades, and various sales metrics (com, com. mil, com. usd, etc.).

Table with columns: No, Marca, Descripción, Forma, Dosis, Cant. (kg, ml, g, etc.), Precio unitario, Precio total, etc. It lists various pharmaceutical products and their sales data for the period.

Table with columns: No, Marca, Descripción, Código, Tipo, Presentación, Cantidad, Precio, etc. It lists various pharmaceutical products and their sales data for the period from January to September 2013.

Table with columns: No, LINGA, INGREDIENTES, CAJA, PRESENTACION, MARCA, PRECIO, POS, etc. It lists various pharmaceutical products and their sales data for the period from January to September 2013.

Table with columns: No, Marca, Descripción, Unidad, Cantidad, Precio, etc. It lists various pharmaceutical products and their sales data for the period from January to September 2013.

Table with columns: No, Marca, Descripción, Tipo, Dosis, Unidades, Precio, etc. It lists various pharmaceutical products and their sales data for the period from January to September 2013.
